- **Community**

Phoenix Christian is a small and very diverse community of believers. Many of our families refer to us as their “family”!

African American – 10%

Asian/Pacific Islander- 20%

Hispanic – 30%

Multi-racial – 7%

Caucasian – 28%

Native American – 3%

- **Teacher Education**

Teachers receive trainings on how trauma affects learning, how to manage challenging behaviors, and positive language to use with foster families.

- **Community Outreach**

Phoenix Christian will promote foster care and educate the community on the need for more foster families.

- **Advocacy**

Counselors, teachers, and administrators will advocate for the needs of foster children and their families. We will also participate in CFT meetings as needed.

How is this possible?

- **Private School Tax Credit**
 - Up to \$2173 for married couple
 - Up to \$1087 for a single person

You can designate your state tax dollars directly to a foster child!

When an Arizona taxpayer makes a donation, they receive a dollar-for-dollar credit against their state tax liability. This means that at the end of the year, **if they would normally get a refund, they'll get a bigger refund.** If they normally owe taxes, **they'll owe less.**
